Screen Printer Stencil Frames

QuattroFlex stencil frames now available from AdoptSMT!

Part No.: 100526

€2975

- Inner dimensions: 475 x 475
- stencil dimensions: 555.5 x 555.5
- Weight: 4.2 kg
- Number of pistons: 124
- Color: silver/blue with orange corner

The QuattroFlex 3/2 stencil frame is the modified successor to the well-known QuattroFlex 2 stencil frame system.

It is now a Frame system with less weight. A Venturi valve is installed directly on the clamping frame, with which the clamping pistons can be retracted and extended. No tensioning device is required. Other sizes are available.

By switching to perforated templates, you save on every template order and template storage space!

VarioGrid & SoftCone PCB support systems are also available from AdoptSMT!

AdoptSMT is the perfect partner for the complete equipment of your electronics manufacturing. Trust in our long-standing expertise and comprehensive services, as well as our worldwide sales network.

Our goal is to be Europe's first point of contact for the electronics industry: the first address when it comes to consumables, spare parts, and used machinery for production lines.

Our experienced team will be happy to advise you on your Project.
